

# American River Basin Water Supply Schematic

**Key (all values in thousand acre-feet)**

- Surface Water Use in 2018
- Groundwater Use in 2018
- Surface Water Use in 2014
- Groundwater Use in 2014

Note: Some agencies shift to higher groundwater usage in dry years as part of their conjunctive use program. For those agencies, water use is ALSO presented for 2014 to illustrate their dry-year water use pattern.

- Surface Water diversion
- Wholesale or Transfer

SW	Surface Water User .....	Total 2018 Usage SW: 247 taf
GW	Groundwater User .....	GW: 118 taf
SW + GW	Surface and Groundwater User ...	Total: 365 taf
