**Refund for Notification of Lake or Streambed Alteration  
Notification No. 1600-2019-0170-R2  
American River; Lower American River Anadromous Fish Habitat Restoration**

Dear Mr. Gohring:

This letter is to inform you that the California Department of Fish and Wildlife (CDFW) will be issuing you a refund for the reason indicated below.

- Over payment of notification fee.
- The Department denied your request for "long-term" agreement. The fee amount for a "regular" agreement would apply to your project.
- Notification was not required because your project is not subject to the notification requirement in Fish and Game Code section 1602.

Your refund check, in the amount of \$5313.00, will be issued from the state controller's office and will take 6 to 8 weeks to process. You will need to provide CDFW with your corporations EIN number for this refund to be processed.

If you have any questions regarding your refund, please contact our LSA Desk administrative staff, TinaLyn Sell at 916-358-2885 or at [tinalyn.sell@wildlife.ca.gov](mailto:tinalyn.sell@wildlife.ca.gov).

Sincerely,
